Our speaker at the August meeting was Greta Bond from Age Concern Canterbury. She spoke about the services they provided, such as Elder Abuse and passing on service providers that have been vetted and police checked that can carry out home maintenance for over 65's. They run a number of courses such as a refresher course for mature drivers and a course "Life without a Car", as well as having volunteers who can help with different aspects such as IT. Steady As You go is also a great program run by them to aid with Fall Prevention.

Age Concern Canterbury's website is www.ageconcerncan.co.nz where you can find out all kinds of information about what they do. Their phone number is 03 -366 0903 – should you wish to contact them about home maintenance providers – or if you have any concerns.
