At the December meeting we had 32 attend and 1 new member inducted.

Our speaker was Kate Warren from Tavendale & Partners law firm. She has been many places in her life, a varied career, and now a partner in the firm. She spoke to us about Wills, Occupational Right Agreements for residential villages amongst a number of other subjects. An excellent speaker with some great advice.

It has been an interesting year for our club and for me in my first year as President. We changed our affiliation from Probus to Rebus. The Committee feels it has been a good move as we have a lot more contact from them than we had from Probus, and for a way more reasonable affiliation fee, as well as still receiving the same benefits of the insurance.

We also changed venues to Morrison Ave Bowling Club which most members seem to feel has been a positive move. It is a lovely, warm venue.

I want to say thank you to my Committee who have supported me brilliantly this year making my job very easy. Also, a big thank you to all the members, who make our club such a friendly one,

Wishing you all a very Merry Christmas and a safe & Happy New Year.
